Commanders: The attached Incentive letter is the one that will be mailed to all Post Adjutants. You will need to contact the Posts and let them know that they need to start working this program. National has bought into the program and is getting every Department to work the renewals. I just got back from Austin where we were trying to get the budget fixed for next year. The budget is based on membership dues received and let me tell you it was tough.

I will look forward to seeing each of you next week at the Fall DEC.

Reminder: I still need you to work on the forms and start getting dates put together for your training in the Districts. I will be looking for updates at DEC.

**AMERICANISM**  
**AT**  
**District 22**

The Legions pillar #3 is Americanism and it embodies **our** devotion to Law and Order, the **raising** of wholesome youth, **an** educated **and** law-abiding citizenship, **and** respectful observance of patriotic holidays and remembrances.

AMERICANISM is about;

**Voter Registration and Participation**

Legion Posts through the country offer their services and facilities to stimulate registration and turnout at the polls.

**Flag Protection**

Our programs increase awareness of proper flag display, dignified disposal and instills patriotism with honor in all Americans.

**Boy Scouts**

Annually, an Eagle Scout is recognized as The American Legion Eagle Scout of the Year and is awarded a \$10,000 college scholarship. Scholarships of \$2,500 each are awarded to three runners-up.

**Junior Shooting Sports**

This program is one of the premier shooting programs in our country, teaching students under 18 years old about gun safety and marksmanship while fostering healthy competition.

**Boys State**

American Legion Posts select participants to attend our Texas Boys State program after receiving their recommendation from school officials.

**Oratorical Competition**

This Program helps High School students develop a better knowledge and understanding of the U.S. Constitution, teaches the importance of Leadership, and provides participants with an understanding of the Duties, Responsibilities, Rights and Privileges of American Citizenship. Each contest has 2 phases: an 8 to 10 minute oration and a 3 to 5 minute assigned topic presentation.

This is my report on some of the Americanism Programs.
